GENERAL INFORMATION

VARIETIES NOT LISTED. We have a great many short lots of stock in all classes, so that we suggest, in sending your order, you add any other varieties desired in limited quantities. We will promptly advise if we can supply the additional sorts and state prices.

We suggest the use of this stock to those contemplating broad plantings or for screen effect in estates, parks, cemeteries, etc. It should be handled in car lots.

SHIPMENTS. We prefer to have customers state by what method goods are to be shipped. In the absence of such instructions we will use our own judgment, but our responsibility ceases when shipments are delivered to the freight or express companies for forwarding.

GUARANTEE. We exercise the greatest precaution and care to have our stock true to name, count and grade. It is mutually agreed between ourselves and customers that our guarantee in no case shall make us liable for any sum greater than that quoted. Stock delivered as per order and in good condition is not returnable. We endeavor to fill orders promptly or when specified. However, we cannot be held liable for orders cancelled while enroute.

PRICES AND TERMS. We will supply 5 at 10 rate, 25 at 100 rate, respectively. Items are cash with order to those unknown to us.
